PRIMARY EXAMINER

Allowable Subject Matter

1. Claims 1-41 are allowed.

The following is an examiner's statement of reasons for allowance: None of the prior art of record teaches or suggests a method of setting up a multi-user communication session over a global network comprising: a session participation request message that includes 'a first player's (user's) QoS requirements for the session;' a negotiation message from the second user by the first user in response to the session participation request message that includes `` a second player's (user's) QoS requirements for the session responsive to the first player's user's QoS requirement;' resource availability is determined in access networks of the first players/users and the second players/users ``according to the second player's (user's) QoS requirements;' resources are reserved in the respective access networks of the first players/users and the second players/users ``in response to resources being available to achieve the second user's QoS requirements;' resource availability in the first user's access is determined ``according to the second user's QoS requirements;' resources are reserved in the first user's access network ``in response to resources being available to achieve the second user's QoS requirements;' and an acknowledgement message indicates ``the completion of QoS provisioning.'

Art Unit: 2153

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior made of record and not relied upon is considered pertinent to applicant's disclosure.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Yasin Barqadle whose telephone number is 703-305-5971. The examiner can normally be reached on 9:00 AM to 5:30 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Glenn Burgess can be reached on 703-305-4792. The fax phone numbers for the organization where this application or proceeding is assigned are 703-872-9306 for regular communications and 703-746-7238 for After Final communications.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is 703-305-3900.
